

Starting Out

Episode 6 – I'll pay

Waitress: Are you ready to order?

Julia: Yes, we are. ... I'd like chicken soup for the first course.

Sammy: And I'll have chicken soup, too.

Waitress: And for the second course?

Julia: I'll have ... steak and chips, please.

Sammy: And I'll have lasagne.

Waitress: OK, so two chicken soups, one steak and chips and one lasagne. Would you like anything to drink?

Julia: Would you like some water with your meal, Sammy?

Sammy: Oh, that's a good idea, but I prefer sparkling water. But I don't mind.

Julia: Yes, sparkling water. Can we have a bottle of sparkling water, please?

Waitress: Of course.

Julia: Mmm, that was a nice meal.

Sammy: Yes, it was. This is a lovely restaurant.

Julia: Yes, it is. I come here quite a lot. ... Waitress, can we have the bill, please?

Sammy: I'll pay!

Julia: No, no. Let's pay half each.

Sammy: No, I insist. I'll pay.

Julia: Are you sure?

Sammy: Yes, yes. Absolutely.

Waitress: Here's the bill, sir.

Sammy: Thanks. Can I pay with debit card?

Waitress: Of course, sir.

Julia: I'll pay for the next meal we have.

Sammy: No, don't worry! This is my gift to you.

Waitress: Sorry, sir. There's a problem with your card. It says ...

Sammy: OK, I'll pay in cash. How much is it?

Waitress: It's 48 pounds and 53 pence.

Sammy: Oh dear! All my money is in my other jacket.

Julia: Don't worry! I'll pay. ... Here's my credit card.

Waitress: Thank you, madam.

Sammy: I'll pay for the next one.

Julia: Don't worry about it. I'll pay for this gift.
